

## 2019 YOUTH BASKETBALL TOURNAMENT WELCOME LETTER

Welcome to our Annual Westview Basketball Invitational Tournament. Included in this packet is all the information you will need in order for your team to enjoy their experience. Our goal is that your team and fans experience a smooth and fun filled weekend of competitive basketball.

Everyone assisting in this tournament is a volunteer except for the game officials. Without the help of these volunteers, this tournament would not be possible. Please keep this in mind if something does not go as smoothly as you would like.

Your participation in this tournament is very much appreciated and we rely on you to join us in making this tournament a success. Please review all the information provided and if you should have any questions or concerns please don't hesitate to call Coach Howard McElroy @ 503 -839-8785 or email us.

In closing, please remind everyone associated with your team that this tournament is for the players participating in it. We will not tolerate any abuse of the game officials nor the tournament volunteers. Anyone not abiding by these rules will be asked to leave the tournament site. We reserve the right to make this tournament for the kids and the kids only. Thank you for your participation, your understanding, and your support!
